

Email notification and reminders of important school sponsored events or instructional/facilities issues.

Kids, being kids, often forget that you think the school newsletters and flyers being sent home are important. Your copies may be getting left in a school locker or become a crunched ball in the bottom of the backpack. Maybe your child is very reliable about bringing it all home, but like me, you read it, log the important dates on your calendar and then forget to look at your calendar until the day after the event you wanted to attend. **If you think you are missing important information, prefer the "CliffsNotes" version of the information or want last minute reminders about school happenings, then**

Bypass the Backpack is for you!!!

You can get your information about the school directly. The subject line will typically read "GBHS News" or "GBHS Bypass the Backpack." All information sent out through this service pertains to Glen Burnie High or its feeder system. It **IS NOT** an advertising venue. **Emails will be sent out with blind addresses ensuring that no one else has access to your email address. YOUR EMAIL WILL REMAIN CONFIDENTIAL AND WILL NOT BE SOLD TO SOLICITORS.**

There are two ways to sign up to receive your school news via email. Go to www.bypassthebackpack.org and click on the GBHS link, or Complete this form (please print clearly) and return it to the school office.
